Let's hope that every one will send in some money this summer and every summer for this splendid work carried covernment. more dollars. Where are the kind only perfectly complacent about her summer for this splendid work carried CONTRIBUTIONS TO THE THIBUNE FRESH More, comes from Mrs. Allene Tupper on by the Tribune Fresh Air Fund.

Wilkes, writer on Mexico in "Harper's \$31,805.14 Weekly," and daughter of Dr. Henry Allen Wilkes, representative of the International Peace Forum, who has just returned from a two years' stay in Mexico, and who as an intimate friend of the leaders in the revolution probably knows more about Mexico than any other American woman.

"Can Mexico hope for anything from her women, as America can?" was my

The Virtue of Restriction.

"She very decidedly can," came Mrs. Wilkes's immediate response. "Right low the Mexican woman, physically and morally, is far superior to the Mexican man. She has become so through her very restriction. Men have had license and freedom and have dissipated energy; but women have had one narrow little path to follow, and that has made for concentrated energy, both of body and spirit.

"But you can't make an American Mrs. Rose Sobel, who eight years ago Miss Mary M. Roberts, of 4 West woman out of your Mexican lady.
